

Precondition 6.2: Summary of Candidate Performance

I. Undergraduates:

The use of the Application, the Dispositions Review, the Interview, the Recommendations, and the PASS-PORT Initiation, with decisions by the Teacher Education Advisory Council and the Education Department faculty, will commence in Fall 2005 for Undergraduates (see Table 2, Precondition 5.1) wishing to enter the first portal, Admission to the Teacher Education Program.

Currently, the use of Overall GPA and successful completion of the PRAXIS I PPST are in place for students wishing to enter the program. After students register for 300 Level Education courses (this is done in March for the Fall semester), the lists of registrants are examined and those with no scores, or scores below 172, 171, and 170 on the PRAXIS PPST:R, PPST:W, and PPST:M, respectively, are not approved to enroll in 300 level courses. Moreover, those with overall GPA's less than 2.5 are not approved to enroll.

The use of the PASS-PORT Exit Portfolio, with decisions by the Education Department Chair, will commence in Fall 2008 for Undergraduates (see Table 2, Precondition 5.1) eligible to exit the program.

Currently, the use of transcripts with evidence that the student has completed all requirements, including passage of the PRAXIS II Content Area, and the PRAXIS II PLT, prior to Student Teaching, are in place.
