Health & Physical Education	B.S.			DOE	TEAC

Please note: The Master of Education in School Administration and the Master of Education in Supervision of Instruction are currently being phased out of our department. Students may enroll in these programs until January 2006. Students currently enrolled, or who enroll, in these

programs have until December 2008 to complete their degrees, in accordance with the Louisiana Department of Education.

There are no off-campus programs.
