

2007~2008 Verification Worksheet

Federal Student Aid Programs

Your application was selected for review in a process called "Verification." In this process, we will be comparing information from your application with signed copies of your 2006 Federal tax forms (and your spouse's if you are married, or parents' if you are considered dependent for Federal aid purposes). The law (34 CFR, Part 668) says we have the right to ask you for this information before awarding federal aid. If there are differences between your application and your financial documents, corrections may need to be made. ***We cannot process your financial aid until verification has been completed, so please provide the required documents as soon as possible.***

What you should do:

1. Collect your (and your spouse's or parents') financial documents (signed Federal income tax forms, W-2, etc.).
2. Complete all sections and sign this worksheet – (you and your parent, if you are required to provide their income information).
3. If you have questions concerning this worksheet, please contact the Centenary Financial Aid Office at 318/869-5137 or email to finaid@centenary.edu.
4. Bring, mail or fax (318/841-7266) the completed worksheet, tax forms, and any other requested documents to our office.
5. We will compare the information on these documents and make corrections if necessary.
