CENTENARY COLLEGE CAMPUS HOUSING AGREEMENT TERMS & CONDITIONS

Centenary College of Louisiana does hereby agree:

1. To provide to the student a room in a Centenary College operated residence hall/house.
2. To provide a standard meal plan to the student in the Centenary College dining hall. Sodexo will make every effort to address special diet concerns; however, there are no allowances or refunds for special diets/considerations that cannot be accommodated.
3. That this agreement does not include room/board accommodations during vacations/recess periods listed in the Centenary College Catalog.
4. Not to discriminate in room/hall selection/assignment on any basis. A reasonable attempt will be made to meet the student's housing preference; however, a failure to honor a preference will not void this agreement.

The Student does hereby agree:

1. To make payment for these accommodations to Centenary College in accord with the published payment schedules.
2. That continued compliance with Centenary College policies, procedures, guidelines and standards is a condition of this agreement. Centenary College policies are printed online and in residential life publications. A violation of this condition, or any section of this agreement, is subject to disciplinary action and will also allow Centenary College to terminate this agreement at its sole option. An election by Centenary College not to exercise this option does not waive the exercise of this option in the event of continuing/subsequent violations.
3. To utilize the assigned room only as a personal living area and that no commercial or unlawful operations shall be carried on therein.
4. To adhere to the published opening and closing dates. At the end of each semester, the student agrees to vacate the halls within 24 hours of their last exam or before the designated closing date/time.
5. At the termination/completion of this agreement, the assigned room will be left in the same condition, with the same furnishings, provided at the time of arrival to the room and hall.
6. To be responsible for damage beyond normal wear to the student's room/unit and for any other on-campus damage caused by the student. If damage occurs in the room for which the responsible individual(s) cannot be identified, all residents of the room shall share equally in the financial responsibility for the damage.
7. That all personal belongings left by the student at the completion of his/her residency under terms of this housing agreement will be disposed of by Centenary College with the student charged \$100.00 for additional maintenance service.

Moreover, it is mutually agreed upon:

1. This agreement constitutes a formal, legal understanding and not a tenant lease.
2. That Centenary College has no responsibility for the theft, loss, or destruction of property belonging to, or in the custody of the student. Each student is advised to carry his or her own property insurance.
3. That Centenary College reserves the right to inspect rooms and regulate the use of the premises according to Centenary College policy. Additionally, Centenary College reserves the right to enter room/units for making routine repairs during the normal workday and in emergency or policy violation situations.
4. That execution and performance of this agreement by Centenary College is conditional upon the student fulfilling the admissions, registration, and academic requirements of Centenary College.
5. This Campus Housing Agreement is signed and binding for the entire academic year. Any release from this agreement is permitted only under the conditions of academic withdrawal, dismissal, verified medical reasons or other extreme extenuating circumstances, and only with the written approval of the Director of Residence Life. Any request for release must be submitted in writing to the Director of Residence Life and will be evaluated on a case-by-case basis in Centenary College's sole discretion. Any refunds will be in accordance with the refund policy set forth in the Centenary College catalog.
6. That room & board charges WILL NOT BE REFUNDED: 1. if the student changes place of residence to non-Centenary College operated housing; 2. if the student is evicted from the residence halls for disciplinary reasons.
7. That the residence hall/house accommodations are available only to full-time (pursuing at least 12 credits per semester) students enrolled at Centenary College. Exceptions must petition the Director of Residence Life in advance.
8. That Centenary College reserves the right to assess a fee (150 percent of regular room rate) per semester surcharge to a student residing in a single room, should the student be offered this option or same result from students' inability to secure a roommate.
9. That Centenary College reserves the right to assign/reassign rooms for the benefit of the community as determined by Centenary College. In order to use Centenary College housing space effectively, Centenary College reserves the right to reassign individuals to consolidate space. The Director of Residence Life will reassign the -student if the student has not located a roommate within 10 days of notification by the Office of Residence Life.
10. That Centenary College has the right to make changes to its Room & Board charges and or housing fees, as determined by the Centenary College Board of Trustees.
11. That the occupants of each hall/area will be held financially accountable, as a group, for damages beyond normal wear to the building common areas and its furnishings in the event responsible individual(s) have not been identified as having caused the damage.
12. To ensure the security of the residence hall lock/key system the student agrees to maintain all issued keys in her/his possession at all times; not duplicate Centenary College issued keys; and shall return all issued keys upon checkout.
13. If any provision of this agreement is determined invalid or unenforceable, it will not affect the validity or enforcement of the remaining provisions herein.
