

FINAL EXAMINATION SCHEDULE, SPRING 2010

To interpret this schedule, locate the time a class meets in the spring by noting either its code in the far left column or the time it begins (in the parentheses). Monday/Wednesday/Friday courses begin with a code of "M." Tuesday/Thursday courses begin with a code "T." To the right of each coded class is the time the final exam for that class is scheduled. Example: a class that meets at T2 (i.e., it begins 9:45am on Tuesday/Thursday) has a final exam scheduled from noon to 3:00pm on Tuesday, May 4.

Graduating seniors only are allowed to reschedule their final exams between April 30 and May 4 subject to the instructors' approval, whenever senior exams scheduled below occur on/after Wednesday May 5 because of the deadline for posting final semester grades to the Banner web (noon, May 5, 2010). Students with **more than two final exams scheduled on the same day** may ask one of their teachers to reschedule. If they are unsuccessful in this effort, they may seek assistance from the Provost. Non-graduating students who must reschedule a final exam for any other reason must receive prior permission from the Provost before they reschedule. In any event, permission to reschedule must be sought before the end of class days during Preparation Week (i.e., by May 2, 2010).

For classes that are not scheduled at designated time periods, the final exam is to be administered during the designated time that most closely fits the unique class time. Example: if a class meets from 2:00 to 5:00 on Thursday rather than at T4 (2:00 to 3:15 on Tuesday/ Thursday), the final exam will be given when T4 students are tested, which is 4:00 to 7:00pm on Tuesday, May 4. Please note that final exams for masters students are scheduled at times approximating the day and time of the week that the corresponding class meets during the semester.
