CULTURE Program Assessment

1. Illustrate ways your host culture and your home culture are both distinct and similar.
2. How might a member of the host culture perceive your culture?
3. Describe three activities, events or conversations that occurred during your experience that helped you understand the unique culture of your host location.
4. How do the elements of culture (history, heritage, beliefs and values) influence the lives of the people you met?
5. What elements of your host environment were most enjoyable to you? What were the most difficult?
6. What new insights into your own culture have you developed as a result of this experience?
