

Bossier Parish Community College Transfer Equivalencies for Centenary College

BPCC Course #	Bossier Parish Community College Course Description	Centenary Course #
ACCT 205	<p>205: Introduction Financial Accounting. (3-3-0) Introduction to accounting and financial reporting concepts and the significance of financial accounting information in decision-making. Emphasis on the accounting cycle; assets, liabilities, and stockholders' equity ; and preparation of financial statements</p>	ACCT 203
ART 201	<p>201: Art History I. (3-3-0) A survey course of the development of the visual arts and civilization from Prehistoric and Gothic periods.</p>	ART 101
ART 202	<p>202: Art History II. (3-3-0) A continuation of Art History I, a survey course of the development of the visual arts and civilization from the Renaissance era to contemporary art.</p>	ART 102
BIOL 101	<p>101: General Biology I. (3-3-0) Introduction to the principles of biology for the science major. Topics include a history of biology, scientific method, general concepts and principles of biological molecules, cell structure and function, photosynthesis, cell respiration, cell reproduction, genetics, evolution and ecology.</p> <p>101L: General Biology I Lab. (1-0-3) Laboratory designed to supplement General Biology I for science majors. Withdrawal from lecture mandates withdrawal from laboratory</p>	BIOL 101
BIOL 110	<p>110: Medical Terminology. (3-3-0) Study of the basic structure of medical terms including prefixes, suffixes, roots, combining forms, plurals, pronunciation, spelling, and definitions. The course introduces students to fundamental concepts in human anatomy and physiology.</p>	BIOL 251
BUSN 201	<p>201: Principles of Macroeconomics. (3-3-0) An introduction to macroeconomic theory with application of macro principles to problems of unemployment, inflation, economic growth, fiscal policy, and monetary policy.</p>	ECON 212
BUSN 202	<p>202: Principles of Microeconomics. (3-3-0) An introduction to microeconomics, the study of individual market interactions. Concentration on role of customers and producers in markets for particular goods and services. Topics include demand, supply, market equilibrium, international trade, production of goods under pure competition, monopoly, monopolistic competition, and oligopoly.</p>	ECON 211
BUSN 215	<p>215: Business Law. (3-3-0) Principles of law relating to legal aspects of business transactions with particular emphasis on contracts. Includes subjects such as bailments, commercial paper, insurance, agency, employment, regulation, property, and consumer protection. Case studies used in class.</p>	BUSN 223
CHEM 101	<p>101: General Chemistry I. (3-3-0) <i>Prerequisites: ACT Math score of 18 or MATH 102.</i> It is strongly suggested that students should have completed a high school chemistry course or CHEM 107. Fundamental skills and knowledge required for a continued study of chemistry and the related sciences. Topics include nomenclature, atomic and molecular structure, chemical equations, stoichiometry, gas laws, bonding, energy relationships, solutions and</p>	CHEM 121/123

	<p>quantitative problem solving.</p> <p>101L: General Chemistry I Laboratory. (1-0-3) <i>Prerequisite: Previous credit or current registration in CHEM 101.</i> Laboratory skills and knowledge required for a continued study of chemistry and related sciences. Content supports topics in Chemistry I (Science majors), including safety and basic laboratory techniques to include data collection and interpretation and introduction to laboratory reporting. Withdrawal from lecture mandates withdrawal from laboratory</p>	
CHEM 102	<p>102: General Chemistry II. (3-3-0) <i>Prerequisite: CHEM 101.</i> A continuing study of chemistry concepts by building on topics covered in CHEM 101. Topics include intermolecular forces, thermodynamics, general and heterogeneous equilibrium; kinetics, solutions, acid/base equilibrium and properties; and electrochemistry.</p> <p>102L: General Chemistry II Laboratory. (1-0-3) <i>Prerequisite: Previous credit or current registration in CHEM 102.</i> Safety and basic laboratory techniques related to the topics in Chemistry II (science majors). Withdrawal from lecture mandates withdrawal from laboratory</p>	CHEM 122/124
ENGL 101	<p>101: Composition and Rhetoric I. (3-3-0) <i>Prerequisite: Placement test, ACT score of 18 or higher, or a grade of C or better in ENGL 099 or equivalent course.</i> Introductory course in writing including study of selected readings; emphasis on basic rhetorical methods. CLEP credit accepted.</p>	ENGL 101
ENGL 102	<p>102: Composition and Rhetoric II. (3-3-0) <i>Prerequisite: ENGL 101, grade of "C" or better.</i> Introductory course in college writing including study of selected readings in literature with emphasis on developing critical essays and research skills. No CLEP accepted.</p>	ENGL 102
ENGL 257	<p>257: Introduction to African American Literature (3-3-0) <i>Prerequisite: ENGL 102, grade of "C" or better</i> Introduction to African American literature that includes critical analysis and writing about literature. Students will read, analyze, discuss, and write about literary works by African American writers during the periods of Reconstruction, the rise of the "New Negro," the Harlem Renaissance, black realism, modernism, and post modernism.</p>	ENGL 295
ENGL 290	<p>290: Creative Writing. (3-3-0) <i>Prerequisite: ENGL 102, grade of "C" or better.</i> A course in writing short stories, short drama, poetry, and non-fiction with emphasis on stimulation of ideas for writing and criticism.</p>	ENGL 219
HLPE 103	<p>103: Bowling. (1-3-0) Instruction in the fundamentals, techniques, rules and etiquette of bowling with provision of practical application. Lane fee required.</p>	WAC 201
HLPE 107	<p>107: Aerobics. (1-3-0) The course consists of exercises and aerobic routines designed to develop a higher level of physical fitness and to improve cardiovascular endurance and muscle tone.</p>	WAC 201

HLPE 113/114	<p>113: Fundamental Weight Training (Men). (1-3-0) Fundamental weight training and strength development techniques.</p> <p>114: Fundamental Weight Training (Women). (1-3-0) Fundamental weight training and strength development techniques.</p>	WAC 201
HIST 101	<p>101: Western Civilization I. (3-3-0) A survey of European civilization from pre-historic man to the 1500s.</p>	HIST 102
HIST 102	<p>102: Western Civilization II. (3-3-0) A survey of European civilization from the 1500s to the present.</p>	HIST 103
HIST 103	<p>103: World Civilization I. (3-3-0) A survey of civilizations from prehistoric man to the 17th Century.</p>	HIST 295
HIST 104	<p>104: World Civilization II. (3-3-0) A survey of European Civilization from 1600 to the present.</p>	HIST 295
HIST 201	<p>201: American History I. (3-3-0) Discovery and exploration by European powers, colonial foundations, movement for independence, early years of the Republic, national growth and expansion, sectionalism and the Civil War.</p>	HIST 205
HIST 202	<p>202: American History II. (3-3-0) Reconstruction, industrial expansion and related problems, imperialism, World War I and aftermath, Depression and New Deal, World War II, and the development of the United States since World War II.</p>	HIST 206
HIST 203	<p>203: Louisiana History. (3-3-0) A study of the history of Louisiana emphasizing exploration, settlement, development, European domination, and political characteristics up to the present.</p>	HIST 207
MATH 102	<p>102: College Algebra. (3-3-0) <i>Prerequisite: ACT score of 19 or higher, appropriate placement test score, or a grade of "C" or higher in MATH 099.</i> Topics from algebra including complex numbers; radical and rational equations; linear and quadratic equations and inequalities; absolute value equations and inequalities; lines and slope; graphs; inverse, exponential, and logarithmic functions; systems of equations and inequalities; conics; applications.</p>	MATH 104
MATH 111	<p>111: Precalculus. (3-3-0) <i>Prerequisite : ACT score of 20 or higher, appropriate placement test score, or a grade of "C" or higher in MATH 099.</i> Thorough study of algebraic and trigonometric concepts required for calculus. Analysis of linear, quadratic, polynomial, rational, exponential, and logarithmic functions as they apply to calculus. Other topics in algebra include system of equations and conics. Trigonometric topics include angles, radian measure, right triangle trigonometry, graphs, inverse trigonometric functions, trigonometric equations, verifying identities, and laws of sine and cosine.</p>	MATH 107
MATH 112	<p>112: Trigonometry. (3-3-0) <i>Prerequisite: ACT score of 25 or higher, appropriate placement test score, or a grade of "C" or higher in MATH 102.</i> Methods and theory of trigonometry including trigonometric functions, solution of right triangles, identities and trigonometric equations, graphs, inverse trigonometric functions, solution of oblique triangles, and complex numbers.</p>	MATH 295

MATH 250	250: Calculus I. (3-3-0) <i>Prerequisite: ACT score of 28 or higher, appropriate placement test score, or a grade of "C" or higher in MATH 111, or a grade of "C" or higher in MATH 102 and MATH 112.</i> Topics include functions; limits and continuity; differentiation; applications of derivatives.	MATH 115
MATH 251	251: Calculus II. (3-3-0) <i>Prerequisite: Student must receive a grade of "C" or higher in MATH 250.</i> Topics include integration; applications of definite integrals; integrals and transcendental functions; and techniques of integration.	MATH 201
MUSC	Music courses may transfer depending on audition and placement test results.	
PSYC 201	201: Introduction to Psychology. (3-3-0) An examination of the nature of psychology, its history, techniques, learning theory, human adjustment, personality, state of consciousness, development, statistics, social, abnormal, and psychological topics.	PSY 101
PSYC 220	220: Developmental Psychology. (3-3-0) Consideration of the physical, intellectual, emotional, and social process of development of the individual from conception through the entire life span.	PSY 211
SLGY 201	201: Introduction to Sociology. (3-3-0) An examination of cultural origins, the social process, and group behavior in relation to the individual and institutions.	SOC 101
SLGY 202	202: Social Problems. (3-3-0) Social problems of modern life with particular attention to crime and delinquency, substance abuse, family issues, health issues, and social reform.	SOC 112
SLGY 203	203: Marriage and Family Living. (3-3-0) Significant factors for dating, successful marriage, marital adjustment, and family living.	SOC 202
SPAN 101	101: Elementary Spanish I. (3-3-0) This beginning course is for students who have no preparation in Spanish. It is a study of the fundamentals of Spanish grammar, with special emphasis given to aural-oral practice in the language, as well as a glimpse into Spanish culture. Grammar, conversation, aural comprehension, and elementary reading selections will be studied.	SPAN 101 Placement test may be required for upper level courses
SPAN 102	102: Elementary Spanish II. (3-3-0) <i>Prerequisite: SPAN 101 or permission of instructor.</i> This second semester course is focused on creating sentences in present, past, future, conditional and other tenses, learning how to translate and how to formulate questions and answers. Students will also continue to study Spanish culture.	SPAN 102 Placement test may be required for upper level courses
SPCH 110	110: Public Speaking. (3-3-0) The study and application of principles of public communication with emphasis on designing and delivering effective oral presentations.	COMM 180
THTR	Theatre courses may transfer depending on audition and departmental recommendations	
VTAH 111	111: Varsity Athletics I. (1-12-0)	WAC 101

	Activity course for first year, first semester individuals participating in cheerleading, danceline, or interscholastic athletics. (Students may enroll in the course twice maximum.) Fall.	
VTAH 112	<p>112: Varsity Athletics I. (1-12-0) <i>Prerequisite: HLPE 111.</i></p> <p>Activity course for first year, second semester individuals participating in cheerleading, danceline, or varsity athletics. (Students may enroll in the course twice maximum.) Spring.</p>	WAC 102
