Are YOU who we are looking for?

Do you have a positive attitude and a genuine enthusiasm for working with children? Are you patient, flexible and ready and willing to wrestle in pudding or put on a tutu? Do you have experience working with children whether babysitting, coaching, siblings, or through your degree program? Or, are you a college athlete or specialize in a particular skillset related to our camp program? If so, Camp Starlight is the perfect fit for you!

Bunk Specialist! Activity Specialist! Which position is best for you?

All of Camp Starlight's counselors live in the bunk with our campers and take care of them 24/7. During the regular activity day, Counselors are Bunk Specialists or Activity Specialists.

What's the difference between the two?

As a Bunk Specialist you travel with your campers and assist them with their activities. You will utilize your high energy and passion for helping kids grow to help campers learn a new skill or tackle a new challenge. You will also have a secondary area of specialization based on your background and interests!

As an Activity Specialist, you will share your passion and interest in a particular activity area teaching, coaching and mentoring campers.

Not sure which position is best for you? No problem! Apply and we will figure it out together!
