

Business Office

Cash Advance Procedure

(Official College Business) recipient

Purpose

The purpose of this procedure is to provide accurate controls of cash advances. This process will ensure the accuracy of expenses reported on financial statements. A travel advance is money paid to an employee in advance of a College business trip that will be applied toward actual travel expenses.

Centenary College of Louisiana is committed to establishing and maintaining an environment that embraces the highest standards of ethical conduct and behavior. As stewards of its resources and reputation, faculty and staff share an important responsibility for upholding the standards of excellence that define the College and strengthen the community's trust and confidence in its integrity. As such, in all cases and situations, reasonableness and sound business judgment is required and expected, as well as proper approvals and auditable documentation.

Obtaining and Advance

Cash Advances can be obtained by completing a Cash Advance Request. The form must be signed by the requesting individual and a second signature as follows:

Up to \$3,000.00

Faculty: Budget Manger or Provost
Staff: Budget Manager or Department Supervisor
Students: Faculty/Staff Organization Advisor and Dean of Student Development

Over \$3,000.00 but less than \$5,000.00

Faculty: Budget Manger and Provost
Staff: Budget Manager or Department Supervisor and Division Vice President
Students: Faculty/Staff Organization Advisor and Dean of Student Development

Over \$5,000.00

Faculty: Budget Manger, Provost, and VPFA
Staff: Budget Manager, Department Supervisor, Division Vice President, and VPFA
Students: Faculty/Staff Organization Advisor, Dean of Student Development, and VPFA

- The approving party responsible for the budget to be charged should approve travel and business expenditures.
- If the employee incurring the expense is the budget-responsible party, then the person to whom the employee reports should be the approver.
- An approving party may delegate temporary authority to review and approve expenditures under his or her area of responsibility (for example, vacations or sick leave) to another appropriate approving party. The temporary party should be competent in matters of operation and budget. It is the approving official's responsibility to notify the Business Office by email or other documented communication of this reassignment.
- Employees may not approve their own expenditures, nor may they approve expenditures for their supervisor or otherwise normal approving party. Every advance request must include the second signature of the approving party.
- The approving party should understand the business purpose for the travel or entertainment, and be satisfied that the expense has been incurred and reported in a manner consistent with this policy.
- Vice Presidents advance requests are to be approved by the President; and the President's advance reports are to be approved by the Chair of the Board of Trustees or Chair of the Audit Committee.

Returning Receipts

Cash Advance Reconciliation form must be submitted to the Accounting Department no later than 30 days after the completion of the activity (e.g., trip) in order to clear advances. Only in extenuating circumstances will receipts be accepted more than 60 days after the date of completion. Itemized receipts showing proof of purchase/payment and supporting documentation are required to support the amount of the cash advance used. Receipts must be legible and readable. Required supporting documentation and allowable expenses should be in accordance with the College's Credit Card policy (domestic or international, as applicable). Receipts and supporting documentation should be noted in English and converted to US currency using the date of purchase, if applicable. Approved Lost Receipt Affidavit forms are required for missing receipts. **If receipts are not submitted by 60 days after the completion of the activity, cash advances will be deducted from an employee's next paycheck and the advance recipient will not be eligible to receive any future advances. Students with outstanding cash advances will be charged to their student account will not be eligible to receive any future advances.**

Returning Unused

Unused funds and funds that are no longer needed for the purpose of an advance, must be returned to the College. Any current or former employee or student in possession of unused funds remains liable for the funds until returned in full to the College. Any employee who fails to return unused funds to the College will be subject to disciplinary actions and payroll deduction. If an advance is outstanding more than 60 days past the expected clearing date, cash advances will be deducted from an employee's next paycheck and the advance recipient will not be eligible to receive any future advances. Students with outstanding cash advances will be charged to their student account.

Warnings and Reminders

- 1st Violation: A written warning will be issued to the requestor.
- 2nd Violation: A written warning will be issued to the requestor, supervisor/budget manager, and cabinet member.
