Re: Smith Building

Below are several options for the Smith Building flooring. The first set of quotes is for the hallway and 2 classrooms only and is broken out into the following: all carpet squares, then doing the hallway in a Luxury Vinyl Plank and the classrooms in the carpet squares, both which give a Hamilton equivalent versus a less expensive option. All prices below include the cost of all materials needed, labor to remove existing carpet and do minimal subfloor prep, labor to install new quoted flooring and rubber base, freight, and tax.

Hallway and 2 classrooms only

All Carpet

Hamilton Equivalent	\$14,400
Option 2	\$12,450

LVP in hall, carpet in classrooms

Hamilton equivalent	\$16,775
Option 2	\$13,900

Other Offices

Hamilton equivalent	\$7,400
Option 2	\$6,400

If you have any questions, please let me know. I appreciate the opportunity to provide you with these quotes and look forward to helping out with this project!

Sincerely,

Mary Oates
