

O.F.F. Limits Paintball is offering part-time, weekend positions. We are looking for individuals to host groups around the park, maintain equipment in the pro shop, and serve as cashiers. Employees are trained from the ground up, so no experience with any of these positions, equipment, or paintball is necessary. We are located in Elm Grove, Louisiana and offer competitive wages to compensate for your commute from Shreveport, Bossier, and the surrounding areas.

Our customers visit O.F.F. Limits for a full day of active fun, and our job is to ensure that they have a safe, fun experience with their friends, family, and colleagues! We maintain a fun, positive, high-energy, family-friendly environment at our park and are looking for individuals who can engage our customers with a helpful, welcoming attitude. If you enjoy working with people and are looking for weekend employment, please contact Dallas Weeks at (318)987-2696.
