

FINAL EXAMINATION SCHEDULE SPRING TERM 2024

To interpret this schedule, find the time that your class meets during the week in the table below (“Class Meeting Time”). If your class meets on Tuesday and Thursday from 8:20-9:35 a.m., your final exam is on Friday, May 3, from 8:00-11:00 a.m.

Students with more than two final exams scheduled on the same day may ask one of their teachers to reschedule. If they are unsuccessful in this effort, they may seek aid from the Provost. Students who must reschedule a final exam for any other reasons must receive prior permission from the Vice President for Academic Affairs and Provost before they reschedule. Regardless, permission to reschedule must be sought before Preparation Week begins (i.e., by Friday, April 26, 2024).

For a class that meets during a non-designated time period, students and professors understand that the final exam is to be administered during the designated time that most closely fits the unique class time.
